

17.3.2020

Dear parents/carers,

We are anticipating being closed due to coronavirus at some point. As a result we want to share work that your child/children can do at home when this times arrives. We send this now as we are unsure of the date of closure and we want to be prepared.

We hope learning at home will support children in keeping core skills sharp and continuing learning behaviours which will support them on their return to school.

We have looked at a variety of on online resources and have selected those from Teacher's Pet. We have selected Teacher's Pet as the activities are varied and the company have stated they will create new work packs for children **if** schools are shut for longer than two weeks.

There are maths, reading and some writing activities within the resources for you to select/work through. Information on how to access these follows. We will send hard copies of these resource packs home today to parents who do not have e-mail. If anyone else needs a hard copy of this work please phone the school as soon as possible and we will be happy to provide it.

We suggest children:

- Complete a maths, reading, writing task daily from the pack.
- Children in all years use their mathletics log-in to undertake 20+ minutes work daily.
- Children in KS2 are asked to use their login for Times Table Rock stars daily for 10+ minutes.
- Children in KS1 are suggested to use Phonics Play for 15+ minutes daily too. When schools shut officially, Phonics Play will give free access to their reading/spelling based games/activities. You can use the school log in too (we have a 30 user use on Phonics Play so if you experience difficulties please take advantage of their free access):

User Name: Eastington

Password: lion123

- Specific children with logins to Nessy are suggested to use it for 15+ minutes daily too.

There are many additional printable resources to be found on Twinkl too which is offering free access to parents for a month if schools close. Setting this up is really easy to do - go to [www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer) and enter the code UKTWINKLHELPS

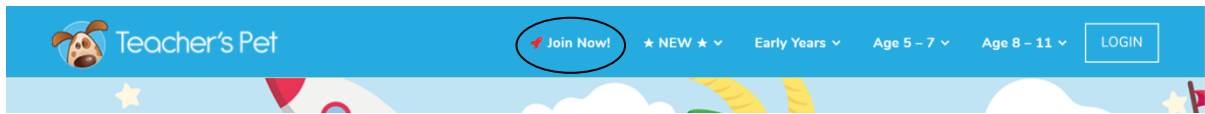

Many thanks for your continued support,

Zoe Avastu

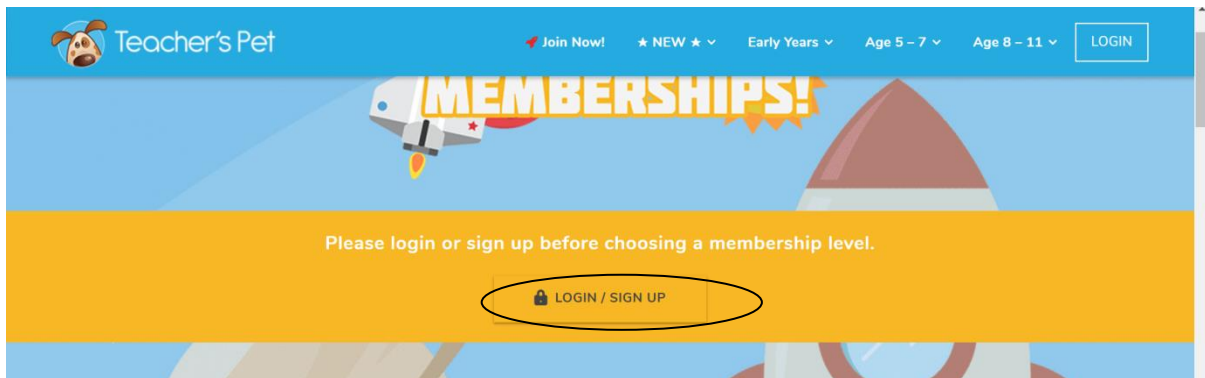

Please find below instructions on how to access the resources from the website "Teacher's Pet" where you will find a daily set of activities to support your children's learning for when schools close.

Go to the website [tpet.co.uk](http://tpet.co.uk)

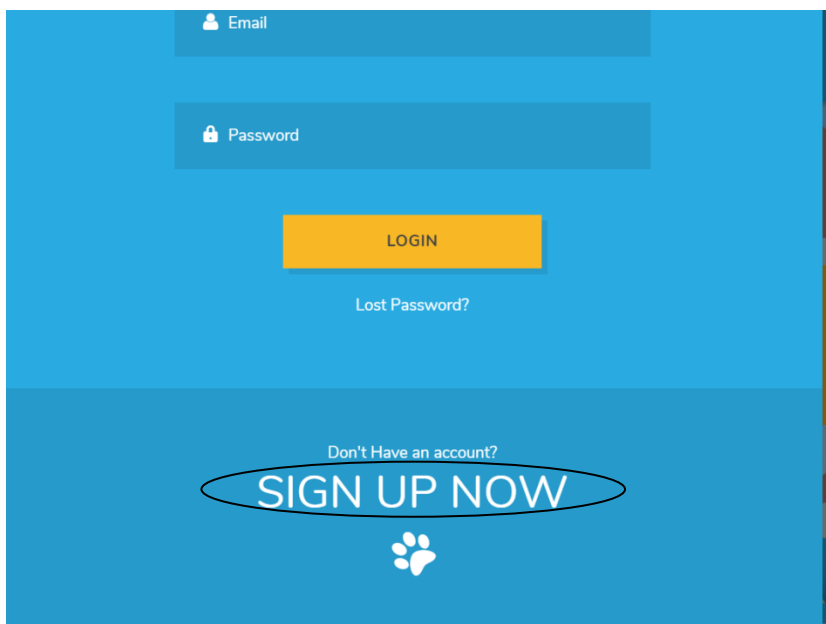

Click on "Join Now!"

Click on Login/sign up

Scroll down and click "sign up now".

Choose your login details and click register.

The banner features a blue background with a central illustration of a dog's face. To the left is a book cover for 'CREATE with Bostik smart addresses'. To the right is a book cover for 'BUDDY BOTS'. Below the dog's face is the text 'Teacher's Pet'. To the right of the dog's face is a cartoon character and the text 'Vocabulary GENIE'. Below the illustrations, there is a paragraph of text: 'You can now login and select your membership level! Be sure to check out our 'ULTIMATE' membership which gives you a full year of access to EVERYTHING on Teacher's Pet for just £20! Includes #WellbeingWednesday, Knowledge Organisers, Buddy Bots, Topic Packs, Think Maths, editable resources, PowerPoint resources... the list goes on!'. At the bottom, there is a large white text box with the text 'Login now and select your membership level...' and a white button with the text 'LOGIN'.

You can now login and select your membership level! Be sure to check out our 'ULTIMATE' membership which gives you a full year of access to EVERYTHING on Teacher's Pet for just £20!
