Dear parents,

It is with great sadness that, given the current situation regarding COVID-19, the PA have no other choice but to postpone this year's egg treasure hunt until a later date. Holding the event at this time would not be the right thing to do and keeping our community safe is our priority.

Clearly this is disappointing for those on the PA who had put so much into arranging the event for school and playgroup, but we have every intention of the event running at a later date when it is safe for us to do so. I'm sure we will all enjoy hunting eggs in Summer as much as Spring! We would like to thank all of our sponsors and those who offered to make eggs or volunteer on the day. We look forward to your support when we arrange a new date.

In the meantime, keep safe and look after one another. Thank you for your understanding.
