

Free School Meals – Easter hamper

30.3.2020

Dear parents/carers,

The Government voucher scheme for parents entitled to Free School Meals (not Rec/KS1 universal free meals) has not been set up yet. We are aware Easter holidays are coming soon and would like to offer provision for you over this time.

The LA and Caterlink have offered a hamper of food for the 10 day Easter period for families in receipt of FSM. The hamper will include 1 tin of soup, 1 box of cereal, milk, cheese, 4 tins tuna etc.

We have tried hard to contact you today by phone to see if you would like this hamper for the Easter period – thank you for stating your preference. If you have not been available to answer your phone but you know you are eligible for FSM (Rec/KS1 universal free school meals are not part of the scheme) and would like this hamper please contact school asap as we need to place orders.

These hampers can be picked up from school. We will leave the hampers at the front door for you to support self-distancing measures recommended by the Government.

Look after yourselves.

With kind regards,

Zoe Avastu
