

Wednesday 22<sup>nd</sup> April, 2020

Dear Class 3,

I hope this letter finds you all well and you've had a wonderful Easter holiday. I was very lucky and had some delicious Easter eggs - still one left which is great!

The weather has been so wonderful, I hope you have been able to get out in your gardens, or for a walk with your family, to enjoy the amazing sunshine. I've been enjoying walks and also going for bike rides along the towpath, appreciating the countryside. Spring is my favourite time of year and there are so many changes happening in nature at the moment. Have you been outside and noticed the birds are singing more? I have also been watching a family of robins coming and going, building a nest in the holly tree at the bottom of my garden. The bees are buzzing away and I am enjoying seeing the signs of new life and the beautiful flowers that are appearing everywhere.

As well as doing my school work, I have spent many hours stitching the beautiful felting art pieces you all made on the theme of our school values onto some red fabric that. Remember the one you did with your partner? Was it be kind, be cooperative, be resilient, be ambitious or be responsible? I'll send you all a photo of the finished result the next time I write.

As it has been such lovely weather, I have been spending lots of time in my garden in the holiday. It has been good to get weeding jobs done, jet wash the patio and notice lots of new flowers waking up. What flowers do you have in your garden? What do you enjoy doing in the garden?

I hope that you have been keeping up with your reading and practising your times tables. But I also hope that you have been having lots of fun with your families and enjoying the time together. I wondered if you have done or made anything exciting over the holidays? I would love to hear about it or see any pictures of things you have made, built or drawn etc. Your parents have been told how you can write back to me, so if you have time and would like to, I would love to know what you have been up to.

I am missing you all and hope to see you back in school soon.

Take care of each other, be kind and stay safe.

Mrs Burns
