

MAY QUEEN 2020

24.4.2020

Dear year six girls,

Even though times are very different for us all, we wanted to still give you the opportunity to run for May Queen so you can still be part of our school's history and traditions. It will be somewhat different this year of course!

We'd like you to write a speech - as you would have done at school – outlining what you have offered the school during your time with us and why you would like to be May Queen. These will be emailed to all the families in school and then children can vote using Survey Monkey online which we will set up.

It is entirely up to you if you wish to put yourself forward - as always. If you do wish to be considered, can you ask your parents to send your speeches to Mrs Birch by 4pm on Wednesday 6th May please. We can then put them together and send them to school families.

The voting will commence (probably a week in duration) and we will let you know the outcome soon after that.

We are hoping that the parents/carers of the winner will allow us to have a photograph so Mr Dougan can create a May Queen photograph.

We hope this is some welcome news for you all and we wish you the very best of luck!

Mrs Mifflin and Mr Dougan
