

Dear children,

Well, the voting is closed and I'm pleased to tell you that your 2020 May Queen is...

Matilda Crane!

Well done to Matilda. The children in the school loved your poem and I'm sure everyone is absolutely delighted for you.

All the year six girls who put themselves forward received votes, so a huge well done to you all too and thank you for being part of the alternative May Queen this year. We could all see the effort you'd made in writing your speeches.

Moving forward, we hope Mr Dougan will work his magic to produce a special photograph for Matilda next term.
