

Covid Test Results

16th September 2020

Dear parents/carers,

We know as time moves forward it will be inevitable that children and family members will need to be tested for Covid-19. If you have a positive test result it will be important to notify school as soon as possible so we can contact other parents, PHE etc. Contacting school in the week will be easy and swift through calling the school number: 01453 822922. However, if you receive a positive Covid test result on a weekend this will be difficult. In this case, we would be grateful if you left a message on the school answer machine and e-mailed the school on admin@eastington.glouc.sch.uk.

We are doing all we can to support our children to feel safe in school while having access to the full curriculum and reduce risk. Thank you for working with us to support all our families as outlined above – we really appreciate your commitment and support.

With kind regards,

Zoe Avastu
