

31.8.2020

Dear children,

We hope you have enjoyed the lovely sunshine over this Summer and you are ready to return to school on Thursday 3rd September (Friday 4th September for some new reception children). We can't wait to see you and hear your news.

We have worked together and are ready for you to return to school. We will be learning in classes like usual and cover all your favourite subjects: science, PE, art as well as maths, reading and writing.

We will be spending time learning about the 5 ways of wellbeing too: Connect, Keep Active, Keep learning, Take Notice and Give. Each class will have a special teacher to help them with this so it should be fun for everyone: Class 1 - Ms Levan wellbeing through Forest School; Class 2 - Mrs Curran wellbeing through dance; Class 3 – Ms Colleen wellbeing through outside learning & art; Class 4 - Miss Mills wellbeing through street dance and Class 5 – Mr Melsoscia wellbeing through sport.

When you come to school some things will be different but you will still be able to have playtime, go to the toilet when needed and have fun. We will talk about the things that are different when we are together so please don't worry. The children who came to school in Summer Term are used to how some things work – we know they will be brilliantly kind and help too.

We know that some of you will be really excited about returning to see your friends, teachers and to enjoy learning together again. We also know that some of you might feel a little nervous because you have a new teacher or you have been away from school for a longer time than usual. Please know we have missed you and are looking forward to seeing you & working with you again.

Enjoy your last few holiday days – we hope it stays dry for you!

Ms Avastu and all the staff team
