

9.3.2021

Dear parents/carers,

We have been notified today, by Highways Gloucestershire County Council, that works on the bridge situated on Millend Lane, Eastington will now take place between 29th March and 9th April. They sent their apologies for the late notice regarding the change of date.

I hope this helps with drop off/pick up for next couple of weeks while we all settle into new routines.

With kind regards,

Zoe Avastu
Headteacher
