

## COMIC RELIEF

11.3.2021

Dear parents and carers,

The new school council (SC) team met today to elect their chair (Maude), Vice Chair (Chloe), Secretary (Nathan) and Vice Secretary (Rosa) . Congratulations to you all. The SC team also discussed Comic Relief.

Many of you may know that Comic Relief believes that a just world, free from poverty, is possible, and that those closest to the issues have the best solutions. They partner amazing projects and organisations that are working to tackle some of the biggest challenges in society.

At school the children will learn about a boy called Ethan who has cerebral palsy – a brain condition which impacts on development. Ethan attended STEPS Education Centre which helped him build his physical strength and taught him how to communicate using Makaton (a form of sign language). Ethan loves to run and play with his friends in school now.

The SC team thought of lots of ways to have some fun while fundraising together on **Friday 19<sup>th</sup> March**. Children in all classes can dress up in a onesie/pyjamas. (Please wear clothes underneath to keep warm as we are opening windows to vent rooms.)

In addition, each class will choose from the activities the School Council suggested – these include: a colouring competition, a talent show, a red

nose treasure hunt, a word search and....

**Host a class 'LOL-A-THON' where everyone shares their favourite joke**

**Red Nose and Spoon races in class**

**Test your brain powers**

Take part in the Red Nose Day Quiz

The School Council would like everyone to bring in **£1** (more if you want) on **Friday 19<sup>th</sup>**. Class teachers will collect the money first thing in the morning and it will be quarantined before Mrs Birch does the final count – let's see what we can do together to help brilliant causes in the UK and other countries.

Many thanks for your help – your support is much appreciated.
