

PGL 2021

27.4.2021

Dear parents of children in Year 6,

We are planning to offer the opportunity for Y6 children to enjoy the adventure week at PGL Swindon this year – as long as guidance given to schools by DfE and LA allow. Many thanks for payments that have already been received.

We have staff members who are willing to give their time and have provisionally booked a date with PGL. PGL have a clear outline of the control measures they are putting in place on their sites which can be viewed on their website.

We have to undertake a RA for PGL, as usual, which will need to be authorised by the LA before we are allowed to go too. In terms of the PGL dates, we are aware that they clash with the announced transition days for local secondary schools. As such, we have asked PGL if they have an alternative date for us to join them for activities at Swindon. We have contacted PGL several times and are awaiting confirmation. When we have the confirmed dates – whether they are the present ones or altered dates - we will share them and other detailed information with you.

We will hold the PGL Information Evening for Y6 children & parents, where we will share/collect practical information needed for the visit, **on Tuesday May 25th 6-7pm**. This will be held in the school hall so please enter and leave the school via the black gates. We will ventilate the hall and space chairs in line with guidance. Hand sanitiser will be available for you to use as you enter the hall area. Please wear masks, socially distance from others and avoid congregating in groups when on/around the school site. Many thanks.

We really hope PGL can go ahead for our Y6 children this year.

With kind regards,

Zoe Avastu

Headteacher
