

PGL

11th May 2021

Dear parents of Year 6,

We moved the date of PGL to prevent a clash with the SEND days & transition days for children going to Rednock & Maidenhill after these schools informed us of their transition dates. However, the new date clashed with the transition day of children going to another school. As such the PGL date has been changed to the w/c **21.6.2021**– this date does not clash with any of the transition days. We are sorry for this change.

All other information regarding PGL remains the same.

With kind regards,

Zoe Avastu
Headteacher
