

KS2 Visit to South Cerney Outdoor Centre

25th May 2021

Dear Parents & Carers,

In order to enhance our outdoor P.E curriculum, classes in KS2 will be going to South Cerney Outdoor Centre on separate days in June. Please see below for your child's day:

Class 3: Friday 18th June

Class 4: Monday 28th June

Class 5: Wednesday 30th June

The sessions will be led by trained instructors who will teach a programme of land based challenges, such as bush craft, to support team building, cooperation and positive self-esteem.

Your child needs to arrive at school at **8.30am** and they will return at **3.20pm**. Your child needs to be dressed in track suit bottoms/leggings with a long sleeved t-shirt, jumper/sweatshirt, trainers and a waterproof coat. Older clothes are ideal for outdoor activities. Your child will also need a packed lunch and a full water bottle (please do not send sweets or fizzy drinks). Please include a sun hat and sun cream if it is a hot day. No pocket money is needed.

Brilliantly, we are able to fully fund this visit this year using Sport Funding. This is due to us not being able to spend all our Sports Premium in 2020/21 (due to covid - 19 restrictions).

Please sign and return the slip below giving permission for your child to take part. We look forward to a special day learning outside the classroom.

Yours sincerely,

Mrs D. Burns

KS2 visit to South Cerney Outdoor Centre.

I agree to my child _____ going to South Cerney Outdoor Centre and taking part in the land based challenge programme.

Class 3 - Friday 18th June

Class 4 - Monday 28th June

Class 5 - Wednesday 30th June

Signed: _____

Date: _____
