

## SWIMMING POOL PARTIES

11<sup>th</sup> June 2021

Dear parents and carers of children in C3 and C4,

A parent asked a great question regarding the supervision ratio information sent to us by Dursley Pool - Is parental supervision pool side or in the pool?

We have phoned Dursley pool today and they have told us they mean supervision in the pool. We hope this helps you plan.

With kind regards,

Zoe Avastu
