

SWIMMING POOL PARTY

5th July 2021

Dear parents and carers of children in C4,

Just to clarify, the pool party the school has booked is for the children in C4 exclusively. Other children should not attend as we are still working in class bubbles with the aim of reducing the likelihood of children moving to remote learning – we know the impact this has on learning and parents.

We have previously sent a class list to Dursley pool so they can tick off children from Class 4 as they arrive.

I hope you have a brilliant time together.

With kind regards,

Zoe Avastu

Headteacher
