

9.7.2021

Dear parents,

We have a positive case of covid in our Class 5 bubble. Clearly none is at fault - the rate is just high locally at present. As a result though we have closed Class 5 and children, staff and sports coaches who have been in close contact with class 5 will need to self-isolate. We are all sad about this and know the impact this has on children, parents and staff. We are hopeful the children will be able to return to school for the last Monday/Tuesday so they can end the year with us.

Positively, no other classes have to close presently due to the control measures we have in place.

Thank you to the parents of the child for letting us know so we could take the appropriate action-we are really grateful for your honesty. Thank you for all the parents in Class 5 for not dropping off children/picking up their children so swiftly and keeping their distance from others this morning – great job at short notice!

With kind regards,

Zoe Avastu
