

## Covid-19 Cases in School

17.11.2021

Dear parents/carers,

As you know the rate of covid-19 remains high in the area at present. As a school we have 10 PCR/LFT confirmed cases in total. We have at least one confirmed case in C1, 2, 3 & 4. We have 1 new confirmed case in Class 4 today.

Thank you to the parents who have taken their child for a PCR test as a precautionary measure to help us reduce the outbreak we have in school at present - a few children have been confirmed as having covid-19 in this way although they have not had one of the three main symptoms.

We will review the additional measures we have put in place at the end of each week. When the confirmed numbers of covid-19 decrease/we are advised we can return to working more typically, we will let you know.

With kind regards,

Zoe Avastu  
Headteacher
