

Covid-19 Cases in School

23.11.2021

Dear parents/carers,

As you know the rate of covid-19 remains high in the area and we have recently had an outbreak in school.

As a school we have 1 PCR/LFT confirmed case in C4. We are awaiting 1 test result – for a child in C2.

We have sought advice on when we be able to reduce some of the additional measures we put in place. We will review our RA in line with advice and keep you informed of changes.

With thanks for your continued support,

Zoe Avastu
