

Climbing Walls

11.10.2021

Dear parents/carers,

We are fortunate to have booked Warehouse Climbing Centre, Gloucester on **October 19th**. They are bringing a DigiWall and 2-person climbing wall onsite. Two members of their climbing team will be onsite to lead the climbing sessions and ensure safe usage – the staff are experienced at working in schools.

Every class will have access to using one/both of the climbing walls over the day. Whole classes will enjoy the digi-wall together and half class groups will be taken to the climbing wall so children are active and have the best opportunity to learn/enjoy the experience.

Children will need long sleeved shirts, long joggers/sports trousers and trainers to take part in the session/s. Please ask your child to bring these clothes into school on October 19th.

This is an adventurous opportunity for the children – there is no cost to parents/carers as we are funding this through the Sports Grant. We hope the children will enjoy challenging themselves.

With kind regards,

Zoe Avastu
