

CHRISTMAS PERFORMANCES

14.12.2021

Dear parents/carers,

We plan to continue with the live class Christmas performances in the hall as we have put measures in place to reduce risk: ventilating the hall well, limiting numbers, distancing chairs for parents as much as possible, parents to wear masks. Please undertake a lateral flow test before you come on site to meet with a teacher or attend a Christmas performance this week too - this is in line with guidance.

We completely understand if you are not comfortable coming to the Christmas performance in person. Each class performance will be recorded and available to families - details will be sent this week.

with kind regards,

Zoe Avastu
