

CHRISTMAS PERFORMANCES

14.12.2021

Dear parents and carers,

The teachers and children have worked together brilliantly to produce a short class Christmas presentation for parents. We are aware that wider family members/parents who work might like to enjoy these too so Mr Dougan has kindly recorded the children performing.

If you want to access the Christmas recording for the class of your child/children please follow the instruction below from Mr Dougan:

If you wish to have access to the Christmas recordings, please send an email stating the class recording/s you want to: graemedougan@btinternet.com.

Please send your e-mail request to me as soon as possible. (Please send e-mails within working hours). I will send you an email with an invite to the Dropbox folder. Click on the invite link within the email and it will open Dropbox. The recordings can be downloaded in the normal way.

I will access my e-mails once a day between 14th – 22nd December. (I will be unable to access my drop box account between 23rd December – 3rd January.)

We ask that you respect the privacy of other families by not posting recordings of other children on the internet/social media sites etc. Thank you.

With best wishes to you all for a fun filled and restful Christmas,

Zoe Avastu
Headteacher
