

Dear parents / carers,

As I am sure you have heard Storm Eunice is heading our way. At present, the red warning stops just south of Dursley. There is an amber warning in our area.

We will monitor the situation this evening and in the morning. If we need to close to ensure safety or because staff are unable to travel we will inform you via email/text. We will also post information about any school closure on the Gloucestershire Schools Closure site:

<https://closures.gloucestershire.gov.uk/>

Best wishes,

Ms Avastu
Headteacher
