

Covid-19 Advice to All Parents

Dear Parents/Carers,

We are delighted to be working with the children face to face. Your children are wonderful, and we are enjoying learning together and watching the children have fun too. Long may it continue!

As you know the rate of covid-19 remains high in the area at present. As a school we have 1 PCR/LFT confirmed case in total – in Class 3.

We continue to follow the recommendations by the SW Health Security Agency by reducing large gatherings such as assemblies and staff wearing masks in enclosed, communal spaces inside etc.

With kind regards,
