

Covid-19 information for all parents

28.3.2022

Dear Parents/Carers,

We are delighted to be working with the children in school and to have weathered our covid-19 outbreak. Our numbers have decreased and staff are now back in, though a little tired.

Thank you all for helping us by following the guidance around testing and self-isolation. Thank you to the staff too who have organised, covered classes/duties, and supported the smooth running of the school – an amazing team.

As a school we have 3 PCR/LFT confirmed cases in total. There are cases in Classes 1, 2, and 5.

We continue to work in semi-bubbles – this means we allow children to mix outside but not inside unless necessary (lunch, L&S teaching). We will ask our Y6 Sport and Well-Being Leaders to start their activities outside at break/lunch time next week – they have worked hard to plan activities to run to support the five ways of well-being. We know the Y6 children and the other children in school are looking forward to this.

Thank you again for working with us during the period when staff were stretched due to absence – we really appreciate it.

With kind regards,

Zoe Avastu
Headteacher
