

Eastington Primary School Achieves Gold Award

We are delighted to announce that Eastington Primary School have achieved the School Games Gold Mark Award for the 2022/23 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of sport and competition across their school and into the community. We are delighted to have been recognised for our success.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

Our sporting achievements this year include:

- Winning the small schools' District Sports Athletics
- First place in small schools TAG Rugby tournament
- Offering 463 opportunities for children to participate in sports in both traditional competitive and non-traditional events in & outside school
- Increasing the variety of sports offered to children
- Developing both the well-being knowledge and fundamental movement skills of our pupils

We are extremely proud of our children for their dedication to all aspects of school sport, including those who support sport/well-being and were active participants in competitions.

A special thanks to all the parents who have supported these events by dropping off children at venues or joining us for swimming/competitions. Also, well done to all of our wonderful children who have participated with cooperation, confidence, a competitive spirit and fairness.

We look forward to 2023/24.
