

Dear parents/carers,

Enjoy reading about some of our school super stars and school news below.

Rounders Tournament

On the 4th of June, our Y5 children took part in an exciting rounders tournament. They joined 27 other teams from local schools for a fun-filled day of sport and team-work.

Although there was

nervous energy at the start, the children were full of enthusiasm to take part. As the tournament progressed, their confidence grew and it was fantastic to see how quickly the children picked up new skills and strategies. Each match offered a new opportunity to learn, improve and support each other. By the end of the morning, the children were playing with real team work and determination. The atmosphere was full of energy and positivity. Above all, the children had a lovely time.

Well done to all our Y5 players for their enthusiasm and fair play. Thanks to for Miss Bingle and Mrs Hyde for organising the team.

Special Award Winners

Each year we are delighted to hold a special award assembly for children who have consistently shown strength of character and commitment.

Conor was celebrated as the winner of the Endeavour Shield 2025. The staff team are consistently impressed with Conor's hard work and resilience—he quietly gives his best to all he does. He approaches a challenge with openness and readiness. A worthy winner.

We also celebrated **Sakura** for her passion and commitment in sport—she is an enthusiastic swimmer (1,500M), competitive roller skater as well as keen participant in athletics competitions. She won an open meet recently by throwing 6.86M in shot put—impressive! We know the positive impact sport makes to Sakura and the way she plays with a competitive and fair spirit. Well done Sakura for winning the Robinson Cup 2025.

Finally we celebrated **Charlie** as he won the School Values Cup 2025. Charlie lives out our school values. He includes others and is a good friends to all. He loves a challenge and shows curiosity in how the world works. He acts with strength and responsibility—speaking truthfully and doing jobs responsibly. Well done Charlie!

May Monarch

Congratulations to Evan who was selected by the children to be May Monarch 2025—he is a worthy winner who consistently shows kindness and cooperation. The celebration at the end of term was lovely. The attendants and the country dancers all supported and celebrated the May monarch brilliantly. Well done to the parents who joined in with the country dancing too. Mrs Trim (chair of Governors) led the crowning really well and commented on the lovely community feel of the celebration.

Evan is planning activities to help Class 1 to develop our school values and will work the children this term.

Thanks to Mrs Parsons/Mrs Williams for taking the photographs, the PA for providing refreshments and to all the adults/children who helped put away the staging after the event—we are really grateful to you.

Staffing

As you know, Mrs Burns will be retiring at the end of this year and we wish her well as she leaves teaching after 37 years (13 years at Eastington).

We recently interviewed for the September teaching position in our school and are delighted to have appointed Ms Anna Moore. Ms Moore is an experienced teacher who has a passion for writing. Ms Moore will be visiting the school over the coming term so she is familiar with the children & staff, as well as understanding our school values, planning & pedagogy. I know you will offer her a warm Eastington welcome when you see her.

Diary Dates

Summer Term 6
