

## Eastington Primary School: World Book Day Celebrations

On Thursday 7<sup>th</sup> March 2024 it was **WORLD BOOK DAY!** Our School Council (SC) organised lots of fun events to celebrate books, stories and the joy of reading. Some classes enjoyed book scavenger hunts, some created book reviews, some shared their favourite books with younger children in school. The SC asked us to dress up as our favourite book character too. Here are extracts from Class 3's recounts after our special day.

It was fantastic to see so many children in our school dress up as book characters when we went into assembly - from Spiderman to fairies, witches, aliens and Harry Potter. **Alex and Dylan**

Our first activity was to write a character description of Willy Wonka. We are reading 'WONKA' together in class. We discovered he was a man of dreams, always friendly, always kind and so resilient with the challenges he faced. **Freya and Darcie**

In the story and film of Willy Wonka, he was dressed in a top hat and a rich, purple coat. We drew pictures of him in our art books. **David and Conor**

We used special oil pastels to create our pictures. It was cool to choose bright reds and purples and later blend the colours. We drew backgrounds with swirls. **Tommy and Herbie**

We also enjoyed paired reading and showing our favourite book to a friend. Everyone had time to read and talk about their book. It was a great day! **Eoin and Delilah**
