

PHOTOGRAPH PERMISSION

Dear Parents/Carers,

As a school we recognise some parents do not want their child to be photographed due to a range of issues such as child protection, reducing the risk of cyber bullying or just a personal preference. Our aim is to keep children safe and support the requests of parents in this area.

There are times when following parents' wishes are challenging in this area, such as joint trips with other schools, or members of the public taking photographs. With regard to school plays, if you do not want your child to be photographed we will remove them after the performance to allow others to take photographs of their children.

We would like to update our records with your preferences. Please complete the form by ticking all the relevant boxes and return to school.

Many thanks for your co-operation in this matter.
