

## Eastington Primary Return to School by Class 4

Class 4 have had a brilliant return to school this term so far.

After a long and sunny summer holidays, the class have started by thinking about our school values: to be kind, cooperative, resilient, ambitious and responsible. As a class we thought about how important it is to work as a team, so we collaboratively took each school value and thought about how this impacted us in our new class each day. As a group we came up with some positive rules for each value, that we aim to follow, for us to be happy and be the best we can each day.

We created our class charter, and we each painted a handprint to show we agree to follow these 'can do' aims each day. We drew portraits of ourselves to show who we are and what we are aiming for.

Discussed how we know if we are doing well in our lessons was fun. We compiled lots of ideas to show us how we can be responsible for our learning and understand how we are progressing.

Finally, we thought about what we are looking forward to this year in class...here are some of our thoughts:

'I am looking forward to new lessons and learning new skills in maths.' -Sakura

'I am looking forward to learning new things, meeting new people and making new friends.' -Arlo

'I am looking forward to doing new topics in PE.' -Jacob

'I am looking forward to working with new teachers.' -Olivia

'I am looking forward to the whole new school year.' -Sophia

What a great year we have ahead of us! We hope you do to.
