

School Performance Data 2016/17/18/19/22

At Eastington we recognise a whole range of achievements and celebrate the progress made by children as they develop as young learners.

Core skills within reading, writing and mathematics are assessed regularly within the school year to ensure quality teaching and learning opportunities are provided for all. At the end of Key Stages, assessments are made through teacher judgement and national tests. This helps the school to identify trends and support further improvement. A summary of the end of Foundation Stage, Key Stage 1 and Key Stage 2 assessments follow:

KEY STAGE 2										
% of children who met and exceeded the new standard

*EGPS: English Grammar, Punctuation and Spelling

**Test scores are converted into scaled scores. In KS2 the range of the scaled score is 80 to 120. A scaled score of 100 represents the expected standard on the tests. A pupil with a scaled score of 100 meets the new standard. A scaled score of 110 is considered a 'high' score. Scaled scores for Y6 pupils are averaged nationally and as a school to create these figures.

*** The progress each pupil made from their Key Stage 1 starting point was averaged nationally and for each school to create these figures.

****Writing is assessed by teachers and not by test. As such there is no scaled score.

*****EGAPS was not assessed in KS1 for this present Y6 cohort and so a progress measure has not been not created.

NATIONAL TARGETS

In 2022, the Government stated an ambition of 90% of children to achieve expected standard in R/W/M by 2030.

Floor target

A school will be above the floor if at least **65 per cent** of pupils meet the expected standard in **reading, writing and maths** at key stage 2, or if it achieves “sufficient progress scores” in all three subjects.

Previously, the required progress scores are **-5 in reading, -5 in maths** and **-7 in writing**.

Coasting target

Primary schools will be coasting if, **for 3 consecutive years**, fewer than **85 per cent of pupils** achieved the expected standard at the end of year six in R/W/M combined **AND** average progress of pupils was **less than -2.5 in reading, -2.5 in maths or -3.5 in English writing**.
