

Parent Association AGM

22.9.2023

Dear parents/carers,

Please find an overview of the amazing PA fund raising for school last year. The school parents & carers worked brilliantly as a team, with people from every class contributing their time and skills. As a result an incredible total was raised - all funds were used to provide resources and great learning opportunities for the children in our school like:

A huge thank you to everyone who baked cakes, ran a stall/activity, helped put the tables away or led an event. Everyone contributing made events run smoothly and ensured the children were safe and had fun too. An especially big thank you go to Mrs Hayward, Mrs Hussey and Mrs Walton for leading the PA so well over last year and organising the team and big events so brilliantly.

Soon, we will be having the PA AGM and first meeting for the year. The AGM will be held in school on **Wednesday 27th of September at 6.30pm**. Please do come along if you are free-it is a short, low key meeting but will give you the opportunity to meet the PA team, volunteer or just find out a bit more. Everyone is welcome in the PA team and we offer a warm welcome to the parents/carers of our new reception children.

With sincere thanks for your contribution,

Zoe Avastu
Headteacher
